Home Stays:

Stay in a Chinese-speaking family and learn Chinese from native speakers right from here in

the States or in China.

On-site group classes and other services are also available upon request. We may develop individual lesson plan to meet your specific needs.

China information services

"To be the leading media monitoring service partner in China and USA, providing timely, relevant and expert information to government and corporate clients."

"XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX."

We are proud to be a leading media information service company.

We have staff across mainland China, Hong Kong, Canada and USA.

We monitor over 1,155 media sources.

We were the first to introduce Chinese and English bi-lingual media monitoring services to multinational corporations both in China and all over the world.

Professional Translation Services

Highly-trusted Translation agency

Translators are native-speaking certified professionals. We provide high quality professional translation services. Quality is guaranteed using our Quality Reviews system.

The Fastest Professional Translation Services on Earth

We are the fastest professional translation service in the world. Quality and Speed are part of our standard translation services.

Direct Communication with your Translator

Communicate directly with your translator. Provide instructions, glossary, or clarifications before and during the translation.

Additional Proofreading Available

iChineseLab.com Writing Services include the speedy writing and timely submission of any and every kind of writing service in Chinese or English. Apart from top quality, standard academic essays like papers, we also excel in writing articles, web content, resumes, admission essays, grant applications and business research.

You can't beat us for originality and writing excellence. Backed by extensive research, know how editing to help you to excel.

What we pen out
